

## Natural Beauty... History... Growing Today

Greenwood Cemetery is a “living museum” with majestic trees, shaded roadways and both magnificent and modest monuments - each with a unique story. When it was established in 1848, Greenwood was among the first of the “rural” cemeteries where people could escape the city to enjoy its tranquil, lovely, landscaped gardens and pay peaceful respect. Today it continues to be one of Ohio’s most beautiful Cemeteries, one that is proudly listed on the National Register of Historic Places.

Growth is continuing to unfold at Greenwood Cemetery with the addition of the beautiful Park View Mausoleum. Look inside to learn more about the option of pre-construction selections and about the peace of mind achieved through pre-need planning.

*You will find* as you look back upon life,  
that the moments when you have really  
lived, are the moments when you have  
done things in the spirit of... *Love*

— PHASE ONE —

## Rememberance & Tradition

Our newest mausoleum will reflect a continuance of our dedication to a beautiful and enduring Cemetery. Park View Mausoleum is an uplifting, accessible and peaceful place of reflection and honor.

## Everlasting Memorial

The Park View Mausoleum is our most recent structure to offer the dignity of above-ground entombment. Side by side and companion crypts will be available in the interior and exterior of the planned Phase 1 Park View Mausoleum.

Following the Greenwood tradition, this magnificent building will be constructed of granite, stone, bronze and other everlasting materials. The Park View Mausoleum will also provide an atrium styled Chapel with an open view of the majestic Greenwood Cemetery.
